Resources for parents

Highlights include:

Multimedia reviews — tips about entertainment choices available to young people including games, movies and television.

Online safeguards — advice and information about parental controls for devices, streaming services, web browsers and gaming consoles. There is also a range of content about safe search and filtering software.

Staying safe — information about key internet safety topics.

Online risks — guidance for parents to help deal with cyberbullying, sexting, inappropriate content and grooming.

Getting help — a list of professional support services for children and parents/carers. Each state in Australia has a dedicated parent helpline.

Infographics

- * Is there an age limit for kids on social media?
- * 8 tips to keep on top of your child's screen time.

Parent's guide to online safety

This brochure is available in 14 different languages.

DIY eSafety checklist

Do you respect others and only post what you'd say to someone's face?

Is your time between screens and other activities well balanced?

Do you use strong privacy settings and passwords, and update these regularly?

Do you get consent before sharing an image or video of another person?

Have you secured your digital lifestyle with the right software and settings?

BE THE CHANGE.

Unite for a better internet
