For-Official-Use-Only

Thanks [REDACTED] and completely understand.

We are pulling together a short update brief re complaints received and will send that through to you later in the week as may be useful for briefings for next Tuesday's meeting. I understand from Richard that Julie will also be attending.

[REDACTED]

We will look to include in the brief what we know might be feasible if that assists.

Richard has also been in touch re a new video circulating on Facebook. We will review once we receive the link from Facebook and get back to you on what it's classification would be if it were hosted in Australia.

Thanks

Hi [REDACTED] sorry, have been swamped here today (some of which [REDACTED] has been helping us with, so thanks for that). Yes, I think there will be some stuff that we'll need your input on. I'll call you tomorrow once we have a handle on the shape of it.

[REDACTED] would be good to get an update on what is being proposed by Govt in response to the Christchurch shooting – as presume you have had an opportunity to catch up on some of the potential next steps. Also let us know if you need anything from us.

A quick chat would be helpful.

Thanks
