

Top tips for online safety

- 1 Be an upstander** If you see abuse online, report and delete it
- 2 Protect your personal information online** by using a different password for each account and turning on privacy settings on devices, apps, and social accounts
- 3 Tame the tech** Explore how to set access and parental controls on home wifi networks, gaming consoles, mobile devices and smart TVs
- 4 Be conscious of your online profile** Don't post anything that may put you in danger, affect your reputation or be used against you
- 5 Stay on the lookout for scams** and phishing contacts – don't click links, give out personal information or send money in response to an unexpected request
- 6 Help others** to be safe online – especially family and friends who aren't tech-savvy
