These question cards are designed to be used in a family or education setting to start everyday conversations about online safety. The cards cover topics such as identifying online risks, using technology safely and reporting unsafe behaviour. Use them together with the information at eSafety kids, and empower kids to take control of their online experiences.

Instructions:

1. Print the questions on a sheet of A4/3 paper and cut into individual cards.

2. Divide cards into two piles: ‘Ask an adult’ and ‘Ask a kid’

3. To play, adults and kids take turns to pick a card from their pile and answer the question.

4. Browse eSafety kids to find more information on how to stay safe online.

Tip: Use the question cards as ice-breakers, writing stimulus, social media posts or during meal time.

Have you ever seen something online that made you feel worried? 😞

Do you ask permission before posting photos of others online?

Ask an adult
