

eSafety can help you when

Someone puts nude or sexual pictures or videos of you online.

Someone scares you by saying they will put a nude or sexual picture or video of you online.

Someone puts a picture or video of you online that shows you not wearing your religious or cultural clothes.

These are clothes you would normally wear in public.

It is **not OK** if someone does this and you did not say yes to it. When someone does this to you it is called **Image Based Abuse**.

- ➔ You can tell eSafety if this happens to you.
- ➔ eSafety can help you take the picture or videos off the internet.
