

# Educators and school support staff survey

- 1. Online safety and me:** these statements relate to the general understanding of staff about online safety, including their rights and responsibilities as a member of the school community. They ask staff to think about how they keep themselves safe online, how they interact with others and how much they consider online safety when using digital devices.
- 2. Online safety education:** these statements relate to the online safety learning experiences staff members have had at school. They encourage them to think about what they have taught and how they teach it.
- 3. Online safety at our school:** these statements relate to the school's policies and procedures. They ask staff to think about whole school practices and processes for managing online safety.

## Online safety and me

	A Not at all	B Sometimes	C Often	D Always
1. I keep up-to-date with new and emerging technologies and think about how they can impact me both professionally and socially.				
2. I think about how I use technology in the classroom to ensure the safety of my students.				
3. I am confident that I can give students informed and supportive information if something goes wrong online, either in or outside of school.				
4. I am confident that I can report an online safety incident involving a member of the school community.				

## Online safety education

	A Not at all	B Sometimes	C Often	D Always
5. I integrate online safety concepts into my classroom lessons.				
6. I allow students to participate in class discussions about the opportunities and safety challenges they face online.				
7. I teach my students how to question, analyse and interpret the different types of content they see online and the impact of misinformation.				
8. I teach my students how to address unwanted contact online, including sexual pressure from older students or friends and people they don't know.				
9. I am confident that I can teach a comprehensive online safety education program in the classroom.				

## Online safety at our school

10. I take part in online safety professional learning to keep up-to-date with emerging issues and learn new teaching strategies.				
11. I am given opportunities to learn about our school policies and procedures that relate to online safety.				
12. I am given opportunities to contribute to the shaping, updating and changing of online safety policies and procedures at my school. I get to have my say.				
13. Our school reviews and assesses our approach to online safety including education, policies and procedures, professional learning and communication to parents and carers.
