Thanks [REDACTED].

My advice is to let the social media conversation continue; there is no need for us to participate or to publish any content to address the matter. The roadmap document itself is the latest update we can provide on the matter.

These tweets have given visibility to the AV roadmap document. [REDACTED]
[REDACTED]. The EDM planned by [REDACTED]'s team should suffice in terms of transparency (in addition to the document being publicly available on the website).

Thank you.
