Thanks so much for your participation & support on the deep dive on age verification with Minister Robert yesterday. We appreciate the collaboration with yourself & DSS on this work. We've documented the actions from the meeting below. [REDACTED] will set up some time with you & the team to work through how you'd like to progress, particularly on the piece around measuring success, we'd be keen for any views you have on this specifically. For visibility, I had also committed to reconnecting with [REDACTED] from DSS post the meeting yesterday as he believes they can help facilitate some of the industry discussions in the gambling sector.

1. **DTA** to discuss and define outcomes and metrics of each AV trial in more detail with eSafety Commissioner
2. **MO** to confirm whether any additional authority required to commence trials. PM letter may be required, including Minister Fletcher.
3. **DTA** to explore how to progress AV + Digital ID trials with alcohol, then gambling (with DSS), followed by pornography (with eSafety Commissioner)
 - a. **DTA** to explore including myGovID in early alcohol AV trials
 - b. **DTA** to speak with NSW Liquor and Gaming regarding NSW online alcohol sales
4. **DTA** (via DTA DLO) to start exploring options to incorporate Digital Identity into National Self-Exclusion Register being built by ACMA
