Hi Julie,

As forewarned by Rebecca on Friday – please find attached some talking points for the meeting on Tuesday with the DTA. With thanks to [REDACTED] for drafting.

I am also re-attaching the last DTA slide deck that we have received, which Rebecca shared on Friday – and which includes our comments/suggested changes on a number of slides. We will ensure that you have a copy of the final slide deck before the meeting – and will chase DTA on Monday if we have not heard from them.

Thanks,
