Of course, [REDACTED]
[REDACTED] - no need to attend, we have this covered.

[REDACTED], for context, DTA is looking to do some age verification tech trials using their digital identity system (but for online retail sales) – so we're running parallel.

Hi [REDACTED],

Wiggle away - I don't think we all need to be there. So how about me and [REDACTED] engage with them at this stage? [REDACTED], would appreciate you being there as I'm not really across the AV work.

Cheers,

Hi both

What are your thoughts on this meeting? [REDACTED] I think it makes sense for you to go to speak to our AV work more broadly, if needed, but otherwise this may be one mostly for [REDACTED] and anyone else you'd like to bring in from the research team?

(Yes, I am trying to wiggle my way out of this meeting! Happy to be pulled back in if you think it's important for me to go.)

Thanks!
