

Be an eSafe kid:

Be safe, be supportive

Student name:

Date:

Today we are going to learn about being safe online and how we can support others. Your task is to complete this worksheet then share what you have learnt with your parents or carers at home.

Section one:

The right to be safe – you have the right to be safe, online and off

1. What are two main reasons you go online?

- a. _____
- b. _____

Poll question: 'Do you always feel safe online?'

Record your class answer here: Yes _____ No _____

2. Resh is playing a game online with friends. They get an invite to a private online party from another person who they game with. Resh doesn't know this person.

What options does Resh have?

- a. _____
- b. _____

Lots of children speak to people they don't know online, but not everyone is who they say they are. For more information, visit these eSafety Kids pages at esafety.gov.au:

- [Things to watch out for with online friends](#)
- [Someone is contacting me and I don't want them to](#)

Unsafe or unwanted contact can come from anyone. This could be someone you know or a stranger. If you are concerned, ask a trusted adult for help.

Section two: How to keep safe online

Personal information is as valuable as the keys to your house. You should never give your keys to a stranger or let them into your house if you don't know them.

3. Look at this picture that Jordy's Mum has shared on social media. What are three things you can tell about Jordy?

4. What could someone do with this private information?

Stay safe by:

- Keeping personal stuff private.
- Checking privacy settings.
- Thinking before you share.
- Thinking before you connect with others online.

Section three: Supporting each other

5. What are two qualities a trusted person has?

a. _____

b. _____

6. Your friend sets up a group chat. They start to make mean comments about another person who has been deliberately excluded from the chat. What are two things you might do?

a. _____

b. _____

We have the right to interact safely online and the responsibility to support others. For more information, visit these eSafety Kids pages at esafety.gov.au:

- [Someone is being mean to me online](#)
- [How do I know if I'm being mean online](#)
- [People are being mean to others online](#)

Next steps

- Read about why [security and privacy for your devices](#) is important and practise [making a strong password](#).
- Take this worksheet home and share your responses with your parent or carer.
- Have a trusted adult help you change the settings in your favourite game or app and remember to tell them about [The eSafety Guide](#).
- Let them know they can [sign up to our newsletter](#) or an [eSafety parent webinar](#) so they are always up to date with the latest online safety issues and advice.
