

Teacher answer sheet for Lesson Plan 2

Instructions

1. Read each of the comments on Sarah T's post below.
2. For each comment, tick (✓) the chosen box to rate the comment as either:
 - Respectful
 - Disrespectful
 - In-between

Defining Respectful, Disrespectful and In-Between comments:

- **Respectful:** Thoughtful response that considers others' viewpoints as okay, gives any opinions in a calm and rational way, and doesn't attack the other person for their opinion.
- **Disrespectful:** Response or opinion that expresses hate, racism, sexism or violence online. It may express that other people's ideas, opinions, and values are not okay.
- **In-between:** Response may contain both respectful and disrespectful parts. For example, a comment that has elements of standing up for others but can be perceived as aggressive or attacking other people.
