

Be an eSafe kid:

Privacy and security

Student follow-up activities

Name: _____

Date: _____

1. Research an app

Your teacher will give you an app to research.

- Go to The eSafety Guide at [eSafety.gov.au/eSafety-guide](https://www.esafety.gov.au/eSafety-guide) to find information about your app.
- Use the information to fill in the boxes below.

Name of app	
Minimum age to use the app	
How it can be used	
How you can block or report	
How you can protect your personal information	

2. Create a poster

- Go to the **eSafety Kids** page about being safe online at [eSafety.gov.au/kids/being-safe](https://www.esafety.gov.au/kids/being-safe).
- Read the tips.
- Use the information to create a poster to help other students stay safe online.

3. Share with your parents or carers

- Ask your parents to answer the questions and compare their answers with yours.
- Show them the eSafety Parents page at [eSafety.gov.au/parents](https://www.esafety.gov.au/parents).
- Encourage them to sign up for an online safety webinar at [eSafety.gov.au/parents/webinars](https://www.esafety.gov.au/parents/webinars).
- Let them know they can sign up to the eSafety newsletter to stay up to date with the latest online safety information at [eSafety.gov.au/about-us/subscribe](https://www.esafety.gov.au/about-us/subscribe).
