# LEAVING DEADLY DIGITAL FOOTPRINTS!

**An online safety guide for families with young people**

**Leaving Deadly Digital Footprints!** outlines our top 10 most useful online safety topics plus some fun activities to do together to help keep mob safe, thriving and deadly online.

**Leaving Deadly Digital Footprints!** talks about:

**IMPORTANT STUFF!**

- Why is online safety important for mob?
- What can go wrong?
- Trolls, bullies, scammers and creeps!

**THERE'S NO SHAME IN SAFETY**

- Deadly tech house rules: setting boundaries for online safety

**KEEPING SAFE, STRONG AND DEADLY**

- Who we are online
- Our brain online
- Thriving online

**GETTING HELP – HAVING A YARN**

- Who can I ask for help?
- Safer together
- Want to learn more?

This guide is designed for parents, carers and young people to read together so you can:

- learn more about each other's habits online
- work out tech rules for your house together
- find out how you can thrive online!

There are some great examples to read and fun quizzes to battle with each other. These have all been made to make sure our mob can stay safe online, be proud of who we are, learn how to pick out gammon ones and have fun!
