

SAFER TOGETHER!

An online
safety guide
for families
with kids

Safer Together! has our top 10 most useful online safety topics and other fun things to help keep mob safe, thriving and deadly online.

Safer Together! talks about:

IMPORTANT STUFF!

- Why is online safety important for mob?
- What can go wrong?
- Trolls, bullies, scammers and creeps!

HOW TO STAY SAFE

- Deadly tech house rules: setting boundaries for online safety

KEEPING SAFE, STRONG and DEADLY

- Who we are online
- Our brain and wellbeing online

GETTING HELP (HAVING A YARN)

- Who can I ask for help?
- Safer together
- Find out more

This guide has been made for parents, carers and kids to read together so you can:

- understand more about each other's favourite things to do online
- work out tech rules for your house together
- learn why it's important to practice deadly online safety, no matter how old you are!

There are some great examples to read and fun quizzes to do together. These have all been made to help our mob stay safe online, be proud of who we are, and find ways to keep our brains and bodies healthy when we're on our devices.
