

Digital literacy resources – Educators

eSmart gives educators lesson plans aligned with the national curriculum to help keep students safe, smart and responsible in a digital world. Lesson plans are crafted by learning designers, professional educators and through co-design with children and young people.

Scan the QR code to explore the program and sign up.

Check out **eSafety's Educators hub** for resources to help young people stay safer online. You can also subscribe to eSafety's education newsletter.
