

Get your workplace involved

9 February 2027

Safer Internet Day

Online safety matters in every workplace and in the lives we lead beyond it.

On Tuesday **9 February 2027**, put online safety on the agenda with these ready-to-use workplace resources.

In your resource pack:

Presentation

Virtual background

Poster

Editable social media tile

Three ways to take part

Run the workplace presentation

Use it at a team meeting for practical tips and a short quiz. There's also a Teams background you can use. Or organise a free presentation by eSafety.

Display the poster

Put the poster in your kitchen, staff room or another shared space.

Pass it on

Ask your team: *What's one online safety tip you'd like to share?*

Submit a tip through our Pass it on activity. What works for your team could help someone else.

Pass it on

Share your tip using a social media tile from your resource pack. To personalise the editable PDF, open it in Adobe Acrobat (paid version required), add your tip in 15 words or less and export it as an image. Alternatively, use the ready-to-share tile and add your tip to the suggested caption below.

Today we're joining @eSafetyOffice for **#SaferInternetDay** to put online safety on the agenda.

We asked our team: *What's one online safety tip you'd like to share?*

Here's what they said: *[insert online safety tip]*.

What's one online safety tip that's helped you? Tell us in the comments.

Good advice is worth sharing. **Pass it on!**

Together let's make the internet a safer, more positive place.
