Questions from Industry

s 22

s 47F Google

- Are there plans to request reports under the other Phase 1 Codes (e.g. app distribution services, search engine services)?
- s 22 We won't comment on specific plans to request information from providers. It will be by a case-by-case basis. We are likely to take a targeted approach rather than require information from a category of services providers.

- s 47F, s 47E(c) eSafety has requested information from providers already in relation to the Codes and those requests have been responded to.
